Claas TERRA TRAC

REFERENCE	WIDTH	LENGHT	TREAD	PITCH	TREAD HEIGHT	TREAD WIDTH	GUIDE LUGS	PLY	THICKNESS
25"X6.75"x39	25"	263"	78	6.75"	2"	2"	39	4	1.5"

Terratrak systems from Claas are used on a wide range of machines. From the Lexion range of combines to harvesters from Grimme, Ploeger and Dewulf, all benefit from the Terratrak friction drive undercarriage.

Our specially designed tracks for these models have a short pitch, which gives them a higher number of tread lugs, improving their resistance to wear, crushing and road behaviour.

What's more, all our tracks feature simultaneous vulcanisation of the tread lugs, the drive studs and the track core, making them more resistant to tearing.

Thanks to their reliability and respect for original dimensions, Vulcan Agri tracks are perfectly suited to Claas machines and all brands equipped with the Terratrak system.

✓ Fast delivery within 24 hours
Delivery by tracked priority courier throughout Europe or by charter for export outside the EU.

✓ Complete range of agricultural tracks
A range of tracks from 18" to 36" wide for all makes of tracked agricultural machinery.

✓ Adaptability of parts and guaranteed assembly
Our experts will determine the best dimensions for your machine and guarantee that the parts will fit.

✓ Spare parts for undercarriage
A guaranteed, cost-effective range of rollers and wheels for all major makes of tractors and harvesters.

Strong Cables

The track tensile strength is ensured by a full layer of 5.4mm, seamless tension cables. In addition, the track's core is reinforced with as much as four steel cable layers placed at special angles to maximise the core stiffness, making our tracks the best choice for durability and flexibility.

One Step Vulcan

Vulcanisation in one step of track core, guide lugs and tread patterns reinforce solidity and prevent tread pull off. All track parts are strongly vulcanised and bonded together. Low wearability rubber compound offers extended lifetime.

Engineered Quality

New self-cleaning tread bars improve traction whilst offering no vibrations. The tracks are designed to last and come with up to 2 years warranty on Friction and Positive Drive Machines.

Trusted Dealer

Leach Lewis supply the industry only with high quality products at extremely competitive prices. We have a long tradition of servicing and maintaining high levels of customer satisfaction.
